

Free Lilly! v4.02

How to play:

Delete all tiles and free the girl behind the colored wall. Click on the tiles of the same color which are next to each other (horizontally or vertically). As the tiles are deleted, the tiles above will fall in the remaining empty space; gaps between the columns are filled by moving the remaining columns from right to left..

2. Settings & Image Collection

The screenshot shows a 'Settings' window with a title bar containing a gear icon and a close button. The window is divided into three main sections. The first section, 'Select Level', has two radio buttons: 'Easy' (selected) and 'Hard'. To the right is a 'Tile Colors: 4' label and a slider with a blue marker at the 4 position. The second section, 'Select Game Mode', has two radio buttons: 'Practice' (selected) and 'Tournament'. Below them is a 'Time Limit: 60 min.' label and a slider with a grey marker at the 60-minute position. At the bottom of this section is a checked checkbox labeled 'Unlimited Undo's'. The third section has a checked checkbox labeled 'Sound' and a 'Volume: 80%' label with a slider having a blue marker at the 80% position. A 'Close' button is at the bottom of the window.
